SUMMARY

Front-End Developer with professional experience in Laravel, MySQL, HTML, CSS, JavaScript, and GitHub, working on a government web system (Elesen 2.0 – Ministry of Fisheries). Experienced in frontend & backend development, RESTful API integration, system testing, client demos, bug fixing, and basic Linux server deployment. Actively learning Angular to meet modern frontend development requirements.

EDUCATIONAL BACKGROUND

Universiti Sains Islam Malaysia (USIM)

(Oct 2021-Sept 2025)

Bachelor of Computer Science (Hons) – Information Security & Assurance

Relevant Courses: Basic Programming, Database Management System, Software Engineering, Object-Oriented Programming, Data Structure & Algorithm, System Analyst, Graphic Design.

Tamhidi Universiti Sains Islam Malaysia (USIM)

(Aug 2020-May 2021)

Foundation in Physical Science & Technology

Relevant Courses: Mathematics, Physics, Chemistry, English for Academic Purposes, Basic Computer & IT, Scientific Communication, Laboratory Skills.

WORKING EXPERIENCE

EBI Resources Sdn. Bhd.

(Feb 2025 - Jan 2026)

Junior Software Engineer – Level 2

- Developed frontend and backend features for Elesen 2.0, a government web system for the Ministry of Fisheries.
- Implemented modules using Laravel, MySQL, HTML, CSS, and JavaScript.
- Developed and integrated RESTful APIs for frontend–backend communication.
- Used GitHub for team collaboration, feature branching, pull requests, and code merging.
- Performed bug fixing and improvements on a production system used by government stakeholders.
- Conducted system testing and prepared test scripts and documentation.
- Participated in client demos and progress meetings.
- Assisted in deployment and configuration on Linux servers using Apache (beginner level).

Junior Software Engineer – Level 1 (Internship)

- Supported web application development using Laravel and MySQL.
- Assisted in frontend tasks, bug fixing, and documentation.
- Used GitHub for source control and project updates.
- Applied basic secure coding practices such as input validation and authentication handling.

SRA Al-Syatibi, Cheras, Kuala Lumpur

(Aug 2022 - Oct 2022)

Substitute Teacher (Part Time)

- Conducted lessons and supervised classes, ensuring smooth continuation of academic and religious curriculum.
- Managed classroom behavior and fostered a positive and disciplined learning environment.
- Adapted teaching methods to meet diverse learning styles of primary school students.
- Developed communication, leadership, and classroom management skills.

Front of House (FOH) Crew

- Assisted customers with orders and ensured high-quality service to enhance customer satisfaction.
- Collaborated with team members to maintain smooth daily operations and a clean service environment.
- Handled cash transactions, order management, and basic problem-solving during busy periods.

TECHNICAL SKILLS

- **Frontend:** HTML, CSS, JavaScript.
- **Frontend (Learning):** Angular (components, services, REST API integration).
- **Backend:** PHP (Laravel), RESTful APIs.
- **Database:** MySQL.
- **Version Control:** Git, GitHub (feature branches, pull requests, merge conflict resolution).
- **Server & Deployment:** Linux, Apache (Beginner – basic deployment and configuration).
- **Others:** System Testing, Test Scripts, Client Presentation, Bug Fixing.

VOLUNTEERING AND PROGRAM EXPERIENCES

SUFA (Sukan Fakulti) - Athlete

- Developed teamwork, discipline, and commitment through regular participation in university sports events.

Bit and Byte Tech Competitions (10.0 / 11.0 / 12.0)

- Participated in programming and tech challenges, enhancing problem-solving and creative thinking skills.

Minecraft Kampus Barakah Challenge 2023

- Applied design thinking and collaborative problem-solving in a creative tech challenge.

Misi Jelajah Kesukarelawananan Kuala Pilah 2023

- Volunteered as committee member, strengthening leadership and project coordination skills.

Forum ISAS 2022–2024

- Engaged in academic forums, improving communication and presentation abilities.

LANGUAGE

- Bahasa Melayu – Advanced
- English – Advanced
- Arabic - Basic
